

Over the Shoulder

EVENT

Hosted by Dr. David Ahearn, founder of Design Ergonomics, at his Perfect Smiles practice.

185 Highland Ave,
Seekonk, MA 02771

Through this full-day, immersive workshop you will learn the strategies and techniques the experts at Design/Ergonomics use to help some of the most successful practices rethink...

Space, Equipment & Practice Work-Flow

- Restructuring Inventory, Steri & Resupply to optimize productivity
- Designing Smaller Operatories that feel bigger and produce more
- Influencing the Patient's Perspective for increased case acceptance
- Creating a Flexible Work-flow to accommodate any procedure, any time!
- Implementation of Consolidated Materials and Range of Motion

See Proven Advancements in Practice Design, Execution and Management In Action!
